**Machine Learning Research Intern****Offer letter****Date: 30/11/2020.****Dear Harsh,****Ref No: PI/ML/CA2002**

With the reference to your application, skills, and interview performance, we are delighted to appoint you as a **Machine Learning Research Intern** at **Pianalytix**. Your joining will be effective from **01/12/2020**. The joining will not be considered later to the referred date.

We welcome you to the family of Pianalytix and are excited to have you working with us. We foresee your capabilities and potential as a valuable contribution to the company. We are sure you'll experience significant exposure in the process of learning and working with us.

You are expected to follow the terms and conditions of the company and should abide by them. Your role as an employee in the company must be promising and contributing in a healthy yet competitive way. Sometimes, with respect to your position in the company, you might be dealing with certain information about the confidential clause that the company follows: which include important credentials. Disclosing such high profile matters in any way is strictly prohibited. According to the company policy on the breach of contract, you are bound to face related consequences.

As you know it may be a bustling time, we advise you to be mentally and physically equipped and of course, you can get along with our expectations. Hoping for a fervent and responsible contribution to the company's growth. Also, anticipating that you'll evolve into a better person both personally and professionally in this journey with Pianalytix.

Congratulations!

Your Sincerely,

D. Srikanth

HR Manager, Pianalytix
